I have a small number of plants of several varieties not listed here. If you do not see yhe variety you want, write me, I may have it.

FROM THE EXECUTIVE SECRETARY'S DESK

Sorry to be so late with this issue of the Seed Pod.. Various and sundry excuses could be dreamed up but the fact would still remain that it is just late.

The deadline for copy to go in the Winter Issue will be October 1st. The issue should hit the mail about the end of October.

You will note from the report in this issue that we need to sell more ads. We are not quite on our feet as yet. Some of the old standbys failed to give us ads this time. Why? Maybe nobody took the time to see them. We need your help. If you need worksheets drop me a line.

If a friend complains that they did not receive this issue of the Seed Pod ask them if they are current in their dues. No member will receive this issue unless their dues are paid to date.

See you at the shows.
